Dearly loved Co-worker,

Thank you for your email of 12 October 2008, addressed to one of our members, submitting the production order for Ruhi Institute and junior youth materials as part of the 2008–2009 budget for the Azemikhah Institute in the Central African Republic. We also acknowledge receipt of your emails of 17 September, 11 and 23 October, also addressed to one of our members, providing further clarification regarding this request.

It is our pleasure to inform you that financial assistance has been approved in the amount of CFAFr3,072,250 (€4,684) for materials in the Sango language to be printed locally. Arrangements have been made to remit this sum to you in euros (OITC5772). Further, CFAFr8,367,500 (€12,756) has been approved for the printing of Ruhi Institute and junior youth materials in French by Emergence—Foundation for Education and Development in Cameroon; this sum will be transferred to Emergence in euros as well (OITC5771).

Please note that as the price for some of these books is not known at present, you may submit a supplementary budget to cover the costs of printing additional junior youth materials.

With loving Bahá'í greetings,

The International Teaching Centre
